8 August 1990

Mr. Bill Burrows
709 Division Street
Gloucester City, New Jersey 08030

Dear Mr. Burrows:

Thanks for your DX report. I can confirm the program content you monitored.

We don't get very many signal reports. In fact, yours is only the second one I've seen in three years. My recollection was that the other report was from New Jersey also.

I'm enclosing a WVOS T-shirt for you and some information on the station.

Cordially yours,

Eugene H. Blabey
General Manager
Secretary-Treasurer
